

Vampire (Dj Master Traxx Extended Album Version)

Blue System

He had a dream, a master plan
To fight the day, as good as he can
But the voice of silence, it's killing his heart
Killing his heartHe worked so hard, when he was born
Those were the days, unicorn
But the voice of silence, it's killing his heart
Killing his heartDon't kiss the vampire, he walks in my sleep
It's like a fire, still water runs deep
Don't kiss the vampire, the ocean of fears
Oh, his desire are sorrows and tearsBehind close doors, he's living so lonely
Behind close doors, he's the one and only
Oh, your blood is running to his heartHe had a dream, a lonely life
His friends are dead, but he survived
But the voice of silence, it's killing his heart
Killing his heartWho wants to live, forever girl
In the darkness of the world
But the voice of silence, it's killing his heart
Killing his heartDon't kiss the vampire...
Behind close doors...
Don't kiss the vampire...
Don't kiss the vampire
