

# No Goodness

## Dexter Walker & Zion Movement

Solo:

It's not because I've been so faithful  
It's not because I've always don't what I was told  
I blew it so many times but the Lord still blessed me that's why I can realize...

Choir:

It was no goodness of mine (No)  
None my own

Solo:

Food in my cupboard  
I got a roof over my head  
I got clean water to drink  
And a bed I can lay my head  
It could've been me livin' out there in those streets  
But the Lord didn't see fit to let any of these things be

Choir:

It was no goodness of mine  
None my- where would I be if it not been for the Lord

No goodness on my own

Tenors: It, was no

Altos & Sopranos: No

Tenors: Goodness

Altos & Sopranos: Goodness

No goodness on my own

Thank you, Jesus

(Repeated for each individually: Sopranos, Altos, & Tenors)
