I Believe In You

[Steven Curtis Chapman](#)

Aren't you the little one
That hid in my arms afraid of the thunder?
Are these the little hands
That held so tight to mine?Didn't we both agree you'd never grow up
And now here we are and here you go
Of all the things I want to say
The thing you really need to know isI believe in you
I believe in you
Everything you are
Everything you are becomingAnd I believe in you
Yeah, I believe in you
So spread your wings and fly
On the winds of knowing I
Always believe in youSo many prayers we've prayed
So many dreams to get to this moment
Now this is where we stay
While you go change the worldBut I'll be where I have always been
Up in the stands cheering you on and singing this song
A song the very God who made you
Has been singing all alongI believe in you
Yeah, I believe in you
So spread your wings and fly
On the winds of knowing I
Will always believe in youAnd when you rise and when you fall
I'll still believe in you
Just close your eyes and hear me calling
I believe in you
Oh, I believe in youAnd I believe in you
Yeah, I believe in you
Everything you are
Everything you are becomingAnd I believe in you
Yeah, I believe in you
So spread your wings and fly
On the winds of knowing I
Always believe in youI'll always believe in you
Always believe in you
I believe in you
