

# A Change Is Gonna Come

Wayne Brady

I was born by the river  
In a little town  
Just like that river  
I been runnin' ever since I's been a long, long time comin'  
But I know change is gonna come  
I's been too hard livin'  
But I'm afraid to die,  
Cause I don't know what's up there  
The other side  
I's been a long time comin'  
But I know a change is gonna come  
I go to the movies, ha  
And I go downtown  
Somebody keep tellin' me Don't hang around It's been a long, long time comin'  
But I know a change gon' come  
Then I go to my brother  
And I say brother, help me please  
But he winds up, oh winds up knockin' me  
Down on my, knockin me down on my knees  
Oh, there's been times that I thought  
I wouldn't last too long  
But now I know I'm able to carry on I's been a long long time comin'  
But I know a change is gonna come  
ohh
