

# In The Future When All's Well

Morrissey

Armed with wealth and with the, the best of health

In the future when all's well

I will lie down and then be counted

In the future when all's well

I thank you

I thank you with all of my heart

I thank you

I thank you with all of my heart

Lee, please stand up and defend me

In the future when all's well

Confront what you are afraid of

In the future when all's well

Every day I play a sad game called

'In The Future When All's Well'

Living longer than I had intended

Something must have gone right

I thank you

I thank you with all of my heart

I thank you

I thank you with all of my heart

Lee, please stand up and defend me

In the future when all's well

Confront what you are afraid of

In the future when all's well

Hold me closely if your will allows it

In the future when all's well

Paired off, pawed till I can barely stand it

The future is ended by a long, long sleep

The future is ended by a long, long sleep

The future is ended by a long sleep
