

# Quit

## Hedley

Everybody is talking about it  
I can't believe you tore us apart  
Down and dirty  
I can live without it  
Surprise I know who you are Staying out all night  
Never acting right  
Waking up to lies  
And saying sorry till it's sundown  
Jealousy  
Vicious instantly  
All this misery  
Tell me, are we having fun now? That's the shit that makes me quit  
Too many problems  
No love will solve them  
That was it, no  
That's the shit that makes me quit  
All out of patience  
You got what it takes to me split, oh Rising up  
So dramatic  
I love to watch you watch me walking away  
I've had enough  
This shit is tragic  
So goodbye bye bye to the mess that you made Staying out all night  
Never acting right  
Waking up to lies  
And saying sorry till it's sundown  
Jealousy  
Vicious instantly  
All this misery  
Tell me, are we having fun now? That's the shit that makes me quit  
Too many problems  
No love will solve them  
That was it, no  
That's the shit that makes me quit  
All out of patience  
You got what it takes to me split, oh That's the shit that makes me quit  
Oh I ain't never been in trouble with a girl  
'Cause a girl's no trouble for me  
No I ain't never been in trouble with a girl

'Cause a girl's no trouble for me  
No I ain't never been in trouble with a girl  
'Cause a girl's no trouble for me  
No I ain't never been in trouble with a girl  
'Cause a girl's no trouble for me, ye he hey That's the shit that makes me quit  
Too many problems  
No love will solve them  
That was it, no  
That's the shit that makes me quit  
All out of patience  
You got what it takes to me split, oh That's the shit that makes me quit  
Too many problems  
No love will solve them  
That was it, no  
That's the shit that makes me quit  
All out of patience  
You got what it takes to me split Oh I ain't ever been in trouble with a girl  
'Cause a girl's no trouble for me  
No I ain't never been in trouble with a girl  
'Cause a girl's no trouble for me  
No I ain't never been in trouble with a girl  
'Cause a girl's no trouble for me  
No I ain't never been in trouble with a girl  
'Cause a girl's no trouble for me, ye he hey
