

I

Star Guard Muffin

Look at my behaviour
I can't help myself
One feet before the other
I hope you didn't notice I'm fourteen days ahead of you
In my head you're already mine
I hope I don't seem
Like the desperate kind Sometimes I, melt I,
I don't know where to put myself but I'm
Not alone, cause right outside
There's two people just falling in love
I see you're looking,
but are you looking my way?
I'd like to think so
I can only say Sometimes I, melt I,
I don't know where to put myself but I'm
Not alone, cause right outside
There's two people just falling in love Some other time, some other place
Maybe I'll show you my real face
Sometimes I, melt I,
I don't know where to put myself but I'm
Not alone, cause right outside
There's two people just falling in love, yeah
