Hometown Girls

The Strypes

I wanna tell you but I can't spit it out
T-t-t-tripping on my tongue and my mouth is stiff
Feels like I'm hanging off the edge of a cliff
And my eyes can't pick a pocket where they're happy to stick
I'm running from the point

Babe, I'm missing a trick with you

My line is up but girl I'm missing my cue. But can't you give me a fix, so I'm craving confidence?

Well, I reek of sweat and teenage innocence

Well, I want you so, but I know you'll never know

Cause I'm too shy, I'm too shy for the hometown girl!I wanna tell you but I'm sick with the fright

S-s-s-slipping up I'm caught in the light of lust

I get the feeling that you ain't too fussed

My head feels heavy as the regret sinks in

I shouldn't be afraid to take it on the chin

But I duck, I miss the jab but I'm hit with the hookBut can't you give me a fix, so I'm craving confidence?

Well, I reek of sweat and teenage innocence

Well, I want you so, but I know you'll never know

Cause I'm too shy, I'm too shy for the hometown girl!But can't you give me a fix, so I'm craving confidence?

Well, I reek of sweat and teenage innocence

Well, I want you so, but I know you'll never know

Cause I'm too shy, I'm too shyBut can't you give me a fix, so I'm craving confidence?

Well, I reek of sweat and teenage innocence

Well, I want you so, but I know you'll never know

Cause I'm too shy, I'm too shy for the hometown girl!
