

# Just Like Me

## 'Til Tuesday

When you were with me, you were killing time  
I took a lot of yours, but you took all of mine  
I'd say something, but you would never take it well  
So I'd pretend I could hardly tell  
It's just like me  
To want something so bad  
It's just like me  
To want what I can't have  
It's just like me  
I see you now and then, but you don't say hello  
I wonder if I made it up - you know me so  
Oh, there's so much to say, but I can't find the words  
So nothing gets said, and nothing gets heard  
It's just like me  
To want something so bad  
It's just like me  
To want what I can't have  
It's just like me  
It's just like me  
It's just like me  
To want what I can't have  
It's just like me  
To want something so bad  
It's just like me  
To want what I can't have
