

# Motivation

## Kelly Rowland

Oh lover, don't you dare slow down  
Go longer, you can last more rounds  
Push harder, you're almost there now  
So go lover, make momma proud And when were done, I don't wanna feel my legs  
And when were done, I just wanna feel your hands all over me baby  
But you can't stop there, music still playin' in the background  
And you're almost there  
You can do it, I believe in you baby  
So close from here Baby I'ma be your motivation  
Go, go, go, go, motivation  
Go, go, go, go Uh, girl I turn that thing into a rain-forest  
Rain on my head, call that brainstorming  
Yeah this is deep, oh, but I go deeper  
Make you lose yourself, and finders keepers  
It go green light, go Weezy go  
I like to taste that sugar, that sweet and low  
But hold up wait, new position  
I put her on my plate then I do the dishes  
She my motivation, I'm her transportation  
Cause I let her ride, while I drive her crazy  
Then I just keep going going, like I'm racing  
When I'm done she hold me like a conversation Weezy baby And when were done, I don't wanna feel my legs  
And when were done, I just wanna feel your hands all over me baby  
But you can't stop there, music still playin' in the background  
And you're almost there  
You can do it I believe in you baby  
So close from here, baby I'ma be your motivation Oh lover, when you call my name  
No other, can do that the same no  
I won't let ya get up out the game no  
So go lover, don't it make me rain And when were done, I don't wanna feel my legs  
And when were done, I just wanna feel your hands all over me baby  
But you can't stop there, music still playin' in the background  
And you're almost there  
You can do it I believe in you baby  
So close from here baby I'ma be your motivation
