Crazy on a Saturday night

David Hasselhoff

Yeah ! all right ! humWooo, don't the nighttime make it, man what a show
Whoa, when I really right, yeah, don't the feelings show, baby
Don't the feelings show'cause I get crazy on a saturday night
Just us baby refers at the sight
Oh, oh, then we'll be crushin', talking is out of fashion, baby
'cause I get crazy on a saturday night
Just us baby refers at the sight
Oh, oh, talking is out of fashion, anytime for crashin', babyWhoa, ain't the moon a beauty
Man don't it shine
Whoa, ain't the movie, truly
Takin' too much time, baby
Takin' too much time'cause I get crazy on a saturday night
Just us baby refers at the sight
Oh, oh, then we'll be crushin', talk is out of fashion, baby
'cause I get crazy on a saturday night
Just us baby refers at the sight
Oh, oh, talk is out of fashion, ain't it time for crashing, baby'cause I get crazy on a saturday night
I get crazy on a saturday night
Oh, oh, oh, oh
I get crazy !
Crazy, crazy, oh crazy ...
