Time After Time

Labyrinth

Father, please, take care of my soul
Maybe I won't be so strong
Time has come for me to close my wings
And pay for my Mortal sinYou, don't try to stop the Pain that rides
Into my veins inside
It's like a river flowing straight
Fulfilled of HateTime after time
But what has left behind?
Nothing else than lies
All this long time got me to find
They sealed my Heaven DeniedStop this Hatred burning in my head
Now I'd need to forgetYou don't try to stop the Pain that rides
Into my veins inside
It's like a river flowing straight
Fulfilled of hateTime after time
But what has left behind?
Nothing else than lies
All this long time got me to find
They sealed my Heaven DeniedTime after time tonight
We can finally see the light
It's light of love calling me
Am I dreaming, is it real?
No more liesTime after time
