Soulsister

Thomas Dybdahl

Soulsister you're coming round with sugar on your mind
Always free
always will be
Stillness in time
Soulsister coming round with sugar on your mind
Always free
always will be
stillness in time
Oh do you remember when the weight of the world hit you
Bitches brew, Fairytales and blue
How we were young and stupid
but deep within we knew good things ended so this one ended too
I just can't
I just can't help but wonder
I just can't
I sometimes
I sometimes dream in wonder
I sometimes
Soulsister you're coming round with sugar on your mind
always free and always will be
stillness in time
soulsister you're coming round with sugar on your mind
always free and always will be
stillness in time
do you recall the moment everything was lost
every little scrap of hope was tossed
I still recall the??
remember me when pretty life begins
I just can't help it
I just can't help but wonder
i just can't
I sometimes
I sometimes dream in wonder
I sometimes
Soulsister you're coming round with sugar on your mind
always free and always will be
stillness in time
Soulsister you're coming round with sugar on your mind
always free and always will be

stillness in time
