

I Can't Make Me

Butterfly Boucher

All the things I want to say but I can't
All the things I want to do but I won't
 Hold me tight
 Not too tight
I'm in knots but you tie me in bows
 I feel pretty
 I know that you care
 You're so sweet
You're so so sweet It's not a hurry that we're in
 It's the pollen
It's the spring But I can't make me love you
 And you can't make me either
 Patience Boy I need it
I can't make me love you Oh oh oh Paper pen and a piece of your heart
 I can read it but where do I start?
 What to do
 What do I do?
An I am going but I'm gonna come back
 And maybe then
 Maybe this maybe that
 Hold me tight
Not too tight It's not a hurry that were in
 There's no problem
That's the thing! But I can't make me love you
 And you can't make me either
 Patience Boy I need it
 I can't make me love you Oh
Everyday there's something new to hold onto
A little more of you But I Can't make me love you
 And you can't make me either
 Patience Boy I need it
 I can't make me love you
 Patience Boy on strange days
I can't make me love you Oh oh oh
