

# I Wish I Could Be That Strong

Coco Montoya

I was so sure of myself when I walked away  
You wanted to work it out but there was nothing to say  
Wish that I could break down, admit I was wrong  
Oh baby, wish I could be that strong

I've had time to think it through now and consider your side  
Now I see that I was blinded, blinded by my own foolish pride  
I wish that I could break down, admit that I was wrong  
Oh baby, I wish I could be that strong

Strong enough to show you how weak I am in love  
Strong enough to let go to give my life to you  
Strong enough to break down the wall I put between us  
Oh baby, wish I could be that strong  
Whoa baby, wish I could be that strong

I thought it would be weakness to let you win the fight  
Oh, but deep down inside baby, I always knew you were right  
I wish that I could break down, admit that I was wrong  
Whoa baby, wish I could be that strong  
Whoa baby, wish I could be that strong

Wish I could be, I wish I could be that strong  
Strong enough to come back, whoa on my bended knees  
Begging you baby, oh please, please, please  
I just wish I could be that strong  
Oh yeah, yeah, whoa, baby, whoa baby
