Just Watch (feat. Trill Sammy)

Dice Soho

[Intro]
Watch how I run up them bands, thumbin' through 100 grand
Watch how I run up them bands, thumbin' through 100 grand
All I wanted was a bag full of hundreds
All I wanted was a bag full of hundreds
Bout to go fuck up a check
Bout to go fuck up a check
Bout to go fuck up a check
Bout to go fuck up a check[Verse 1]
I'm the motherfuckin' man
I might cash out on the Lamb'
Pull up with the doors open and I'ma flex it on the 'Gram
Probably take somebody bitch then I'ma go fuck on her friend
Get some sloppy in the Benz then I'mma pass it to my man
I don't really give a fuck what they talkin' bout
I'm on the paper chasin' route
Hit her from the back, then put cream all over her face like she breakin' out
Backwood full of skunk, double cup for the punch
If shawty put that pussy on me, I'ma eat it up like lunch[Hook: Dice Soho]
Watch how I run up them bands
Watch how I run up them bands
Watch how I run up them bands
Watch how I run up them bands
Thumbin' through 100 grand, I don't think they understand
Thumbin' through 100 grand, I don't think they understand
Watch how I run up them bands
Watch how I run up them bands
Watch how I run up them bands
Watch how I run up them bands
Thumbin' through 100 grand, I don't think they understand
Thumbin' through 100 grand, I don't think they understand[Verse 2: Trill Sammy]
Watch how I run up them bands
Ferragamo on my pants
Double cup of that lean on me so I dropped a couple Xans
Racks on me just like Serena
My polo drawers up at the cleaner's
Stuff a Vega til it's overweight all my blunts look like fingers
Watch how I skrrt off the lot
Chef Curry with the pot

Got the juice just like I'm Pac
Got bitches naked on the yacht
She shakin' ass and titties
40 with my Fendi dick up in her kidneys
Dice Soho with me take a bitch to Venus
But nigga I ain't friendly
