

Are You Sure?

The Allison

Goodbye (goodbye), farewell (farewell)
Iâ€™m not sure what to do
So long (so long), au revoir (au revoir)
Itâ€™s hard, but Iâ€™ll pull through
Are you sure you wonâ€™t be sorry?
Comes tomorrow, you wonâ€™t want me
Back again to hold you tightly?
Now are you sure
Itâ€™s not your foolish heart?
That you wonâ€™t grieve
If weâ€™re to be apart?
You will see, as time goes by
Youâ€™ll grow lonely, you and I
Dreaming of each other and weâ€™ll cry
Goodbye (goodbye), farewell (farewell)
Iâ€™m not sure what to do
So long (so long), au revoir (au revoir)
Itâ€™s hard, but Iâ€™ll pull through
Are you sure you wonâ€™t be sorry?
Comes tomorrow, you wonâ€™t want me
Back again to hold you tightly?
Just stop and think
Itâ€™s your decision now
For youâ€™re the one
Who went and broke the vow
Youâ€™ll be sorry, wait and see
Spend your life in misery
Wishing that you had returned to me
Goodbye (goodbye), farewell (farewell)
What is there to live for?
Before you go
Just think now, are you sure?
Are you sure you wonâ€™t be sorry?
Comes tomorrow, you wonâ€™t want me
Back again to hold you tightly
In my arms?
