Michelle Paulino

Title: Good Girl

Author: Michelle Paulino

Verse

I walk in the room like (hey)
You should really get to know me
Iâ€™m gonna knock you dead
With no clichÃ©
TouchÃ©

(Iâ€™m feeling it)

No fierce girl
No crazy diva
But Iâ€™m not quite a seÃ±orita
Iâ€™m the one they call good girl
Maybe Iâ€™m the one

Chorus

Oh Oh
Nice to meet you
Iâ€™m a good girl
Iâ€™m that type of the girl
You find at church
Nice to meet you
Iâ€™m a good girl
Drama-free
Down to earth

Oh Oh
Nice to meet you
Iâ€™m a good girl
Iâ€™m the type of the girl
You show the world
Nice to meet you
Iâ€™m a good girl
Coming to break down

the curse

Verse

You may want adventure
But Iâ€™ma be a lifetime ride

Got personality

Beauty

Brains

And faith

(Like a magnet youâ€™ll come around)

Bring the best of the best
(Feeling lucky place your bet)
This girl ainâ€™t easy like that

They give you a reason to see me walking away
Iâ€™ll give you ten reasons that will make you want to stay
When you get the real deal you donâ€™t want the fairâ€™ tale

Man I'm a 10

Chorus

Oh Oh

Nice to meet you

Iâ€™m a good girl

Iâ€™m the type of the girl

You find at church

Nice to meet you

Iâ€™m a good girl

Drame-free

Down to earth

Oh Oh

Nice to meet you

Iâ€™m a good girl

Iâ€™m the type of the girl

You show the world

Nice to meet you

Iâ€™m a good girl

Coming to break down the curse

Bridge

Get Mariah

Mix with Shania

A few sparks of fire

Like miss Alicia

Bold and happy
So Mary Mary
Let me repeat it
Like Keri

Get Mariah
Mix with Shania
A few sparks of fire
Like miss Alicia

Bold and happy
So Mary Mary
Youâ€™ll want to marry
Baby I'm a 10
Just saying
