All Over You

King Biscuit Time

Oh no, hey, hey
Made up my mind, wasn't gonna do it this time
You called tonight and suddenly I'm thinkin', oh, my
If you're only gonna break my heart again
I don't wanna be the fool who lets you in
Lets you in, can't let you in
Oh no, here I go fallin' in love
Exactly when I said I wouldn't
Do, oh, what to do, fallin' in love all over you
Hey, hey, big mistake, jumpin' back in
When I really knew I shouldn't
Oh, oh, what to do, fallin' in love all over you
You say you changed, but part of me is saying, no way
I pull away, but I know deep inside it's too late
Guess I didn't get my heart broke bad enough
Guess I'm finding out that I can't give you up
Can't give you up, can't give you up
Oh no, here I go fallin' in love
Exactly when I said I wouldn't
Do, do, what to do, fallin' in love all over you
Hey, hey, big mistake, jumpin' back in
When I really knew I shouldn't
Oh, oh, what to do, fallin' in love all over you
I guess, I must be crazy
(No doubt about it)
Taking a chance again
(So why am I doin' it)
I wanna walk away
But my heart keeps pullin' me back in
C'mon, Kaci, you know he changed
Guys don't change
He said he wouldn't hurt you but he did
Give him a break, you deserve better
Everyone makes mistakes
Maybe he will again remember those eyes
Did you hear about last time?
Take him back, oh no, here I go
Oh no, here I go fallin' in love
Exactly when I said I wouldn't

Do, do what to do, fallin' in love all over you
Hey, hey, big mistake, jumpin' back in
When I really knew I shouldn't
Oh, oh, what to do, fallin' in love all over you
Made up my mind
Wasn't gonna do it
