Just a Princess

Evil Superstars

in the morning in the cafe
in the evening on the beach
we can start with five lines each
I need just a princess to talk with
I'll wank when I'm home
no music to surround us
just the melody of your voice
I'm not missing a chat with the boys
I need just a princess to walk with
I'll wank when I'm home
ooh-oh... we can talk about motorcyclestunts
or sex of course
I need just a princess to walk with
I'll wank when I'm home all alone
