We Found Love (feat. Rihanna)

Calvin Harris

Yellow diamonds in the light
And we're standing side by side
As your shadow crosses mine
What it takes to come aliveIt's the way I'm feeling I just can't deny
But I've gotta let it goWe found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless placeShine a light through an open door
Love and life I will divide
Turn away 'cause I need you more
Feel the heartbeat in my mindIt's the way I'm feeling I just can't deny
But I've gotta let it goWe found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless placeYellow diamonds in the light
And we're standing side by side
As your shadow crosses mineWe found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless placeWe found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place
