

We Found Love (feat. Rihanna)

Calvin Harris

Yellow diamonds in the light
And we're standing side by side
As your shadow crosses mine
What it takes to come alive It's the way I'm feeling I just can't deny
But I've gotta let it go We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place Shine a light through an open door
Love and life I will divide
Turn away 'cause I need you more
Feel the heartbeat in my mind It's the way I'm feeling I just can't deny
But I've gotta let it go We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place Yellow diamonds in the light
And we're standing side by side
As your shadow crosses mine We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place
