

I'll Never Stop Loving You

[Britney Spears](#)

They say in this world nothing lasts forever
But I don't believe that's true
'Cuz the way that I feel when we're together
I know that's the way I'll always feel for you From now until forever, that's how long I'll be true
I'll make you this vow and promise you now
Until forever, I'll never stop loving you There'll come a day when the world stops turning
And stars will fall from the sky
But this feeling will last when the sun stops burning
All I want to do is love you until the end of time From now until forever, that's how long I'll be true
I'll make you this vow and promise you now
Until forever, I'll never stop, never stop, I'll never stop loving you It's gonna take more than a lifetime to give
you all my love
All the love I feel for you tonight From now until forever, that's how long I'll be true
I'll make you this vow and promise you now
Until forever, I'll never stop loving you From now until, that's how long I'll be true
(Oh yeah, true)
I'll make you this vow and promise you now
(Oh yeah)
Until forever, I'll never stop loving you, you
Until forever, yeah I'll never stop loving you
