

# The Bronx

## Booker T. Jones

The Bronx  
Get's it's flavor from the streets  
It's flavor from the streets  
I've got weight on my back  
Create shift and bend  
I've got flavor from the streets  
Come take a trip with me  
Don't hesitate, just leave  
  
Don't hesitate, just leave  
Just leave
