

The Gillette Cavalcade of Sports

Glassjaw

And I wish, I wish, I wish, I wish
Around and about
And I'm scared to go no where And I wish, I wish, I wish, I wish
Around and about
Down dime air to fall nowhere 'Cause, it 's where the train ride ends
Screaming is this your decision
We were the best of friends
And I'll go nowhere This isn't where
This isn't where I found you
This isn't where
This isn't where I found you And my life is such a ball
That I run the world from City Hall
And I knew you all And my life is such a ball
That I run towards the City Hall
And I own you all 'Cause, here's where the train ride ends
Screaming, "Is this your decision?"
We were the best of friends
And I'll go nowhere This isn't where
This isn't where I found you
This isn't where
This isn't where I found you And this and this and this and this
And this and this and this
How where they ever? This isn't where
This isn't where I found you Well welcome back race fans
It's Cavalcade sport time again
Here at the jamboree, home of the hits
How you doing Bob? It's the last stretch
And my heart, my heart stays in the lead
And we see first, second behind my heart is my mind
Third behind my mind is my body
Fourth behind my body is my soul
And my heart stays in the lead
Coming around the stretch, that was a good one Bob And rounding here is my heart
Imagine you can stay in the lead
And come second behind my heart is my mind
Third behind my mind is my body
Fourth behind my body is my soul
My heart stays in the lead
That was a good one Bob

Don't touch This isn't where
This isn't where I found you
This isn't where
This isn't where I found you And this and this and this and this
And this and this and this
How where they ever? This isn't where
This isn't where I found you Home is where the heart is
Home is where the heart is on the bus
Home is where the heart is on the bus
Home is where the heart is on the bus
Home is where my heart is on the bus
Home is where the heart is on the bus
On the bus, on the bus
