Surrender (Your Love)

Javine

You know what
It's time for you to surrender your loveIt's not about what ya wanna know
The time is right that's for sure
It seems so silly but you complete meYour hanging back just to see
Is another girl better than me
Looks so pretty she's the kind I leadWhat is it you're looking for
I give you all you want and more
It's not tricky it's what it is what it isSo just surrender your love baby
Surrender your love
Surrender your love baby
Surrender your love, uh uh noShy away from the deal
Ya sitting by something so real
You think your clever
But the other side is betterWhat is it you're looking for
I give you all you want and more
Never felt like this before
Is what it is what it isSo just surrender your love baby
Surrender your love
Surrender your love baby
Surrender your loveDon't want you to let yourself go
There's so much more for you to know
Surrender won't surrender won't no, no, noIt's time for you to see just what I'm worth
You've made me so proud to be the first
Surrender won't surrender won't no, no, noSurrender your love baby
Surrender your love
Surrender your love baby
Surrender your loveSurrender your love baby
Surrender your love
Surrender your love baby
Surrender your loveSurrender, surrender
Surrender, surrender
Surrender your loveYou know what
It's time for you to surrender your love
