

Sleeping Beauty

Martha

Oh brother I would swap my Wendy House for your spud gun any day/

Your clothes for my clothes, I can't get mine dirty anyway, you see/

Your football boots/

My football knees/

I hate the shoes they bought for me/

Inside gets boring but when I showed I had an interest in Rugby/

They laughed at me.

Oh sister I would love your Wendy House/

But I'll keep my spud gun for today/

They don't hear me either, I can't get a word in edgeways, you see/

My football boots/

Your football knees/

If you're not too cool/

Come play with me/

Outside gets boring but when I asked if I could watch Sleeping Beauty/

They laughed at me.

But it's alright, when no grown ups are around/

You can still be Daphne and I'll be Fred
