

View The City

Rizen

I'm gonna view that holy city one of these days...You know that I'm

(Chorus)

I'm gonna view that holy city one of these days...Hallelujah

I'm gonna view that holy city

View that holy city

View that holy city one of these days, one of these days.

(repeat)

I'm gonna sing and never get tired one of these days...You know that I'm

(Chorus)

I'm gonna sing and never get tired one of these days...Hallelujah

I'm gonna sing and never get tired

Sing and never get tired one of these days, one of these days

One of these days

One of these days (REPEAT)

View that holy city one of these days.

I'm gonna walk the streets of Glory one of these days

(Chorus)

I'm gonna walk the streets of Glory one of these days...Hallelujah

I'm gonna walk the streets of Glory

Walk the streets of Glory one of these days.

I'm gonna shout my troubles over one of these days..You know that I'm

(Chorus)

I'm gonna shout my troubles over one of these days? Hallelujah

I'm gonna shout my troubles over

Shout my troubles over one of these days

One of these days

View that holy city one of these days.

I'm gonna have a little talk with Jesus

Tell him all about my problems

He'll hear my faithful cry

And answer by and by

I'm gonna view (3x)
Yes I'm gonna view (Repeat)

I'm gonna view that holy city
Shout my troubles over
Sing and never get tired
Walk the streets of Glory
I'm gonna have a little talk with Jesus
Tell him all about my problems
He'll hear my faithful cry
He'll answer by and by

(Vamp)

I'm gonna view (4x)
I'm gonna walk (4x)
I'm gonna sing (4x)
I'm gonna shout(4x)

Walk, shout, sing, shout (8x)
I'm gonna view (4x)
Yes, I'm gonna view
View the Holy
One of these days.
