

America

Lou Reed

Oh say, can you see
By the dawn's early light?
What so proudly we hailed
At the twilight's last gleaming Whose broad stripes and bright stars
Through the perilous fight
Over the ramparts we watched
Were so gallantly streaming America, America, America
America, America, America And the rockets' red glare
The bombs bursting in air
Gave proof through the night
That our flag was still there Oh, say
Does that star-spangled banner yet wave
Over the land of the free
And the home of the brave? America, America, America
America, America, America
America, America, America
America, America, America
America, America
