

Things We Do (feat. Snoop Dogg)

play n skillz

you remind me of a model on the runway
you remind me of that girl in my dreams
please don't mind me if i tell you that i want you
just imagine all the things we'd do in the bedroom (x2)

in the club (x2)

in the car

i don't care

all the things we'd do

on the island (x2)

on vacation (x2)

on a plane

i don't care

all the things we'd do tell me where you never been or where you wanna go

so i can get it together you know

jet skis green trees

i even got money n honey for bees

i need that so we can just do that

take a little dip where the pool at

got that pop that knock that

in the bedroom lady said stop that

whyyyyy

i'm fly people know a gy

private plane in the sky

20000 feet high

with a club inside

we can do whatever we like until we die?

in london miami

me and you can go there

chicago toronto

me and you can go there

atlanta new york city

me and you can go there

las vegas big paper

all the things we'd do

you remind me of a model on the runway

you remind me of that girl in my dreams

please don't mind me if i tell you that i want you

just imagine all the things we'd do in the bedroom (x2)

in the club (x2)

in the car
i don't care
all the thangs we'd do
on the island (x2)
on vacation (x2)
on a plane
i don't care
all the thangs we'd do
you remind me of a runway modelrun away lamborghini full throttle
fine yeh one of a kind
call you a spade shaped like a bottle

porto rico big paperall the thangs we'd do
you remind me of a model on the runway
you remind me of that girl in my dreamsplease don't mind me if i tell you that i want you
just imagine all the things we'd do
i used to dream about a girl like you
like styles like this i cant believe its true
im used to them girls that are full of drama
you the type of girl you bring home your mama
forget about the stress no trouble of the day
we could see the whole world in a couple of days
out this world we can get there sooner
from beijeing catch that flight to the moon
you remind me of a model on the runway
you remind me of that girl in my dreams
please don't mind me if i tell you that i want youjust imagine all the things we'd do
in the bedroom (x2)
in the club (x2)
in the car
i don't care
all the thangs we'd do
on the island (x2)
on vacation (x2)
on a plane
i don't care

all the things we'd do
you remind me of a model on the runway
you remind me of that girl in my dreams please don't mind me if i tell you that i want you
just imagine all the things we'd do
