

# My Jesus Answers by Fire

## Worship House

I will say nothing  
My Jesus will speak for me  
And the earth shall be shaken  
At the voice of my God!

My Jesus answers by fire—3  
My God will speak for me!

Devil you are a liar  
Devil you are so stupid  
Devil you have nothing on me  
My God will speak for me!

My Jesus answers by fire—3  
My God will speak for me!
