Rose Colored Glasses

John Conlee

Advisory - the following lyrics contain explicit language:

I don't know why I keep on believing you need me
When you've proved so many times that it ain't true
And I can't find one good reason for staying
Maybe by leaving would be the best for youBut these rose colored glasses
That I'm looking through
Show only the beauty
'Cause they hide all the truthAnd they let me hold on to the good times, good lines
The ones I used to hear when I held you
And they keep me from feeling so cheated, defeated
When reflections in your eyes show me a foolThese rose colored glasses
That I'm looking through
Show only the beauty
'Cause they hide all the truthSo I just keep on hopin', believing
That maybe by counting the many times, I've tried
You'll believe me when I say, I love you
And I'll lay these rose colored glasses asideThese rose colored glasses
That I'm looking through
Show only the beauty
'Cause they hide all the truth
