

Vengeance Is Mine

Blind Illusion

(M. Biedermann / M. Miner / G. Gilson)Eye for eye

 Tooth for tooth

 You'll get yours

Before it's throughLiving war

 Up to your knees in blood

 What are you dying for?

Peace and love?Kill for peace

 Kill for land

 Killing time?

Vengeance is mineBlood is thicker than water

 Land is worth more than gold

 Oil leads man to the slaughter

Greed will eat at your soulTerrorists threaten our streets

 So now they are mine fields

 All powers will be unleashed

When killing is fashion we all must kill(1st & 3rd solo MB, 2nd solo LL)
