Pete's Sake

Sick Of It All

I don't fucking understand you
You always tell me to think for myself
But when I disagree with what you say
You turn around and put me down
I don't know why you have to play These high and mighty power trip gamesYour double standards are pissing me off
You've got a set of rules for you and another for us
You're no better, you're no worse
But it's time you stop acting like a fucking jerk
I don't fucking understand you
You always tell me to think for myself
But when I disagree with what you say
You turn around and put me down
I don't know why you have to play
These high and mighty power trip games
I really wish you would quit
'Cause we know you're full of shit
