

Bleeding heart

Freedom Call

Here I'm standing in the pouring rain
All alone I feel a silent pain
The dust of love, it made me blind, no way to see
Can you see my bleeding heart? Can you heal my heart? We shared a life, a world of lies
You are gone, no reason to cry And I believed, in you and me
In all your words of love and harmony
When our love began, I gave you my hand
There's still my bleeding heart, I believed Once beyond reality
My fascination blinded eyes, I never saw
Your burning lies, are gone, it's over now
My memories are haunting me, a tragedy, a misery But one day you will learn to see
Love of life, how it is meant to be And I believed, in you and me
In all your words of love and harmony
When our love began, I gave you my hand
There's still my bleeding heart, I believed So, I'm flying free forever
And I'll try again
Forever and ever again And I believed, in you and me
In all your words of love and harmony
When our love began, I gave you my hand
There's still my bleeding heart
