Imagine Me Without You

Marnell

As long as stars shine down from heaven
And the rivers run into the sea
'Til the end of time forever
You're the only love I'll ever needIn my life you're all that matters
In my eyes the only truth I see
When my hopes and dreams have shattered
You're the one that's there for meWhen I found you, I was blessed
And I will never leave you, I need youImagine me without you
I'd be lost and so confused
I wouldn't last a day, I'd be afraid
Without you there to see me throughImagine me without you
And you know it's just impossible
Because of you, It's all brand new
My life is now worthwhile
I can't imagine me without youWhen I met you, I was falling
Your love lifted me back on my feet
It was like you heard my calling
And you rushed to set me freeWhen I found you, I was blessed
And I will never leave youImagine me without you
I'd be lost and so confused
I wouldn't last a day, I'd be afraid
Without you there to see me throughImagine me without you
And you know it's just impossible
Because of you, It's all brand new
My life is now worthwhile
I can't imagine me without youWhen I found you, I was blessed
And I will never leave you, I need youImagine me without you
I'd be lost and so confused
I wouldn't last a day, with this pain
Without you to see me throughImagine me without you
And you know it's just impossible
Because of you, it's all brand new
My life is now worthwhile
I can't imagine me, imagine me
I can't imagine me without you
