

# We Got the Power

## Dropkick Murphys

Yeah, we got the power, let's do it tonight!  
The power, tonight we got a cause and we know  
That it's right, a cause to fight  
Yeah, we got the numbers, let's do it tonight!  
The numbers, alright!  
Yeah, we got the power, got the power tonight!  
We got the power tonight! Nineteen men were tried and fired  
August twenty sixth through twenty ninth  
For violation of rule thirty five  
The forbidden right to organize  
They suffered the loss of their  
Livelihood that night, that night! A city in terror on the thin blue line  
A thousand plus walked off the job to  
Support their brothers 'cause  
The anti union prohibition clause  
Demanded loyalty at any price  
On the thin blue line  
On the thin blue line  
On the thin blue line Nineteen men were tried and fired  
August twenty sixth through twenty ninth  
For violation of rule thirty five  
The forbidden right to organize  
They suffered the loss of their  
Livelihood that night, that night!
