

# Lady in Black (Uriah Heep Cover)

## Ensiferum

She came to me one morning  
One lonely Sunday morning  
Her long hair flowing  
In the midwinter wind  
I know not how she found me  
For in darkness I was walking  
And destruction lay around me  
From a fight I could not win  
Ah ah ahShe asked me name my foe then  
I said the need within some men  
To fight and kill their brothers  
Without thought of love or god  
And I begged her give me horses  
To trample down my enemies  
So eager was my passion  
To devour this waste of life  
Ah ah ahBut she wouldn't think of battle that  
Reduces men to animals  
So easy to begin  
And yet impossible to end  
For shes the mother of our men  
Who counselled me so wisely then  
I feared to walk alone againAnd asked if she would stay  
Ah ah ahOh lady lend your hand i cried  
And let me rest here at your side  
Have faith and trust  
In me she said  
And filled my heart with life  
There is no strength in numbers  
Have no such misconception  
But when you need me  
Be assured I wont be far away  
Ah ah ahThus having spoke she turned away  
And though I found no words to say  
I stood and watched until I saw  
Her black cloak disappear  
My labour is no easier  
But now I know Im not alone  
I find new heart each time

I think upon that windy day  
And if one day she comes to you  
Drink deeply from her words so wise  
Take courage from her  
As your prize  
And say hello from me  
Ah ah ah
