

# The Games We Played

Zara McFarlane

Tell me a secret I'll tell you one too  
Tell me a lie and I'll tell one to you  
I'll giggle, and wriggle and jiggle around the truth of it  
The truth of it I'll cover yours and I'll glop you in mine  
We'll hide away till the end of our time  
We'll giggle, and wriggle and jiggle, around the truth of it  
The truth of it Rolling the dies, I won't think twice  
Rolling the dies, I won't think twice Show me the game yes I play it with you  
Show me the rules and I'll bend them too  
I'll giggle, and wriggle and jiggle around the truth of it  
The truth of it Flip me a coin and I'll catch it for you  
Heads can be mine and the tails can be you  
I'll giggle, and wriggle and jiggle, around the truth of it  
The truth of it You know the game, play it again  
You know the game, play it again
