Cool Love

Pablo Cruise

A room full of faceless strangers
Here I am again
Then suddenly my eyes meet yours
Looks like I found a friendWarms up as the night wears on
We're both feelin' good
Gonna take it to the end this time
We're gonna find out
Find out, find out just how good it is, yeahIt's a cool kinda love
It's like rain in the summertime
Coming downYes, it's a cool kinda love
And cool love, baby
That's what it's all aboutYou don't have to say
You don't have to say a thing
It's just a feelin' that happens
And what that feelin' bringsTime ain't gonna change it
It ain't gonna take it away
It's gonna keep right on goin'
Every night and every day
And every night and every day, hey hey heyCool kinda love
Like the rain in the summertime
Coming down, yeahIt's a cool kinda love
Yes, a cool love, baby
That's what it's all about, alrightIt's a cool kinda love
It's like rain in the summertime
Coming down, yeahIt's a cool kinda love
Yes, a cool love, baby
That's what it's all aboutIt's a cool kinda love
It's a cool kinda love
You know it's a cool kinda love
