

# First Contact

## HIYA!

There was the first time  
I saw you in the underground  
You only heard the voices in the windThen came the next time  
They called me to the great unknown  
A transformation changing everythingMetamorphosis  
First contact...It was my first and only  
Encounter with the outer  
Reaches of space  
You send them through my heartRepeat the first two verses
