

# Red Flag Diver

[Aimee Mann](#)

Red flag diver, jump to me  
Red flag diver, jump to me  
Im just floating here  
In a big red sea  
Red flag diver, dive inRed flag diver, swim with me  
Red flag diver, swim with me  
Youll be miserable,  
But Ill be free  
Red flag diver, dive inCause first I wanna remember  
I wanna remember the ... rock  
A rock where sirens call  
Pick the blame and ...  
The white keeps rise and fallRed flag diver, dive for me  
Red flag diver, dive for me  
Im a scoot for you, as I can be  
Red flag diver, dive inCause first I wanna remember  
I wanna remember the ... rock  
A rock where sirens call  
Pick the blame and ...  
The white keeps rise and fall  
The white keeps rise and fall.
