On Parade

Pro-Pain

now we've seen it all before
and there will come a timewhen we'll see it all again
frown upon a distant shorewith intent to pulverizeand sacrifice our menwe live
we learnto love this senseless on paradewhat now? we've taken it to far
we'd drawn and crossed the linelike no one else beforeis this a test of who we are?then we must not forgetour casualties of warwe live. we learn. to love this senseless on paradethrow us up against that wallobjections overruled %NEWBLOCK%they've got us by the ballswe just never seem to learn thatour country tis of thee sweet landof crash and burnwe live
we love this senseless on parade
we learn
