Advisory - the following lyrics contain explicit language:

Mmm, yeah, yeah, oh, oh  
Nana, nana, nana, nana, nana, oh  
Nana, nana, nana  
If I was your man, girl Girl, I'm so tired of games  
I just wanna settle down  
I swear to you I've changed  
Baby, why you buggin' now?  
I know that I put you through hell  
You deserve to be with someone else  
But I gotta be straight up (Straight up)  
Girl, I just wanna kiss and make up (Make up)  
Ooh, we've been through a lot of things  
How do you throw that away?  
You were the heart of me  
Can't believe you let it break  
Tell me why you won't let him go  
You can say what you want, but I know  
Baby, no more lies  
I'm a keep it real this time Help me understand what I'm saying  
Ain't gettin' through  
Why I can't be your man when I'd give up the world for you  
Girl, I'll do the best I can  
Love you forever, that's what I'll do  
If I was your man, if I was your man, if I was your man Got rid of everything  
That I knew was hurting you  
My hustle in the streets  
Gave that up for you too  
Don't want nothing else in the way  
I just wanna make sure that you'll stay  
Baby, no more lies  
I'm a do it right this time Help me understand what I'm saying  
Ain't gettin' through

Why I can't be your man when I'd give up the world for you  
Girl, I'll do the best I can  
Love you forever, that's what I'll do  
If I was your man, if I was your man, if I was your man Can't live without you anymore  
Baby, I know that you're worth fighting for  
They say that you're still in love with me  
In my arms is where you need to be  
Can't live without you anymore  
Baby, I know that you're worth fighting for  
They say that you're still in love with me  
In my arms is where you need to be Nana, nana, nana, nana, nana, oh yeah, nana, nana  
If I was your man, if I was your man Help me understand what I'm saying  
Ain't gettin' through  
Why I can't be your man when I'd give up the world for you  
Girl, I'll do the best I can  
Love you forever, that's what I'll do  
If I was your man, if I was your man, if I was your man Help me understand what I'm saying  
Ain't gettin' through  
Why I can't be your man when I'd give up the world for you  
Girl, I'll do the best I can  
Love you forever, that's what I'll do  
If I was your man, if I was your man, if I was your man
