

Go to Hell

Alice Cooper

For criminal acts and violence on the stage
For bein' a brat, refusin' to act your age
For all of the decent citizens you've enraged
You can go to hell For gamblin' and drinkin' alcohol constantly
For makin' us doubt our parents authority
For choosin' to be a living obscenity
You can go to hell You're something that never should have happened
You even make your grandma sick You'd poison a blind man's dog and steal his cane
You'd gift-wrap a leper and mail him to your aunt Jane
You'd even force-feed a diabetic a candy cane
You can go to hell You're something that never should have happened
You even make your grandma sick For criminal acts and violence on the stage
For bein' a brat, refusin' to act your age
For all of the decent citizens you've enraged
You can go to hell
