

Rhythm Divine (Morales Club Mix)

Enrique Iglesias

From the coast of Ipanema
To the Island of Capri
All the way to Guadeloupe
I will follow you wherever you may be
From the moment I first saw you
Knew my heart could not be free
Have to hold you in my arms now
There can never be another for me
All I need is the rhythm divine
Lost in the music, your heart will be mine
All I need is to look in your eyes
Viva la musica, say you'll be mine
Can you feel the heat of passion?
Can you taste our love's sweet wine
Join the dance and let it happen
Put tomorrow's cares right out of your mind
As the music drives you closer
And you fall under my spell
I will catch you in my arms now
Where the night will take us no one can tell
All I need is the rhythm divine
Lost in the music, your heart will be mine
All I need is to look in your eyes
Viva la musica, say you'll be mine
Gotta have this feeling forever
Gotta live this moment together
Nothing else matters just you and the night
Follow on the wings of desire
Now the rhythm's taking you higher
No one can stop us from having it all
You are my heart you are my soul
All I need it the rhythm divine
Lost in the music, your hear will be mine
All I need is to look in your eyes
Viva la musica, say you'll be mine
All I need it the rhythm divine
Lost in the music, your heart will be mine
All I need is to look in your eyes
Viva la musica, say you'll be mine
Can you feel the rhythm
Can you feel the rhythm
Can you feel the rhythm, burning, burning
Can you feel the rhythm
Can you feel the rhythm, burning, burning
Can you feel the rhythm
Can you feel the rhythm
Can you feel the rhythm, burning, burning
Can you feel the rhythm
Can you feel the rhythm

Can you feel the rhythm, burning, burning
