Take the World by Storm

Lukas Graham

I've always dreamed of travel
Why should we die where we were born? (born)
Some road are laid with gravel
Sometimes you gotta build your own (own)I wanna tear down boundaries
I wanna greet my enemies
I wanna see what I haven't seen
'Cause I know there's moreI take the world by storm (storm, storm, storm)
I take the world by storm (storm, storm, storm)I don't have any answers
The more I know the more I grow (grow)
I don't know where I'm going
But I'mma search 'cause I see hope (hope)I wanna tear down boundaries
I wanna greet my enemies
I wanna see what I haven't seen
'Cause I know there's moreI take the world by storm (storm, storm, storm)
I take the world by storm (storm, storm, storm)There's got to be more than this
Gotta figure out how to jump the wall
I wanna live and learn
Don't matter if I land or if I fall
I know I might return
At least I know I'll be walking tall
I'm not afraid
'Cause I take the world by storm (storm, storm, storm)
I take the world by storm (storm, storm, storm)
