

Brother John

Big Head Todd and the Monsters

Turn around for something better.
Children give up don't you ever.
Remember that the devil's clever.
Brother John, where are you sleeping?
Take the light into your room.
Cast a candle on your doom. Your master his is coming home soon.
Brother John, how are you sleeping?
May your awakening be near,
Heaven could be any place, Why not here?
Brother John, why are you sleeping?
