chorustonight
no excuses baby we can do this
tonight
shorty i am gonna come true
show me what you're gonna do
you go up give me that
i'm gonna have to give you this
you go up give me that good love
i'm gonna have to give you this good love
tonight
(repeats)many times in the hour glass
hard night freak show you how i make it last
pussying up the shits take a pillow to grab
back it up for me baby ...
i can see why your friends mad
cause sex like this they ain't never have
.. rub this oils on your back
.. light a flame hot candle wax .. i know you feel that
.. fuck it you know i am gonna kill that pussychorus
