Has Been

Goldenboy

I went all in You pulled right out
I was certain You were all doubts
Said I'm sorry I convinced you
'Cause we never seemed to pull throughOnce this feeling will sink in
I won't stand here no more
Once I realize it's all 'has been'
And figure out the scoreI am too old And I'm too kind
Stupid thinking You were all mine
Had my blackouts Now I'm sober,
Someday soon I will recover But it's over...Longing for what used to be, a fantasy, in reverie, hand in hand, promises, chemistry,
all the thoughts, the way we talked, I opened up, you saw right through me.
Making love, honestly, carefully, breaking out, breaking up, breaking down, if I were you & you were me, you would agree, we wouldn't let this fade away but....
